7.1. Upcoming events

7.1.1. Next EUPRA conference in 2026

We will discuss with the partners in August.

Topic/theme idea keywords: Europe, Accountability, Normative, Genocide/ War atrocities/violence, human dignity, urgency/action-based, temporal aspect to urgency, agency, bridging academia and practice, disillusion of “progress.”

After we have the main theme, we will decide on the subtopics. We should have fewer than last time (less than 15)

Call for papers from mid-January until the end of April. Possibility for a 2-week extension. Papers accepted by mid-June.

ACTION POINT: to create a document (<https://cloud.euprapeace.org/index.php/f/7405>) where people can brainstorm titles by the next meeting to connect the dots.

7.1.2. Webinar series

Next one in November. Things are progressing. The folder is in the Cloud.

7.2. Other Projects and Fundraising

7.2.1. EU Horizon

Q: What is the role of EuPRA in this or similar calls? There are also ethical considerations.

In WP5, we could help with our network and through the conference in 2026 + the webinar series. Also, there is a website where we can find a broader possible network (<https://peaceresearch.institute/>).

7.2.2. CERV-2025-CITIZENS-TOWN-TT

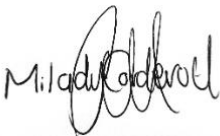

We will not participate.
